House Appropriations Request FY 2010

Project Name: US 401 in Wake and Franklin Counties, NC
Recipient: NCDOT
Recipient Address: 1542 Mail Service Center

Recipient City: Raleigh
Recipient State: NC
Recipient Zip: 27699

Amount of Request: \$2 million

Explanation of the request (must include purpose and why it is a valuable use of taxpayer funds): This project will widen US 401 to multi-lanes from the Neuse River to Louisburg in Franklin County. This project is a top regional priority for the Capital Area Metropolitan Planning Organization (CAMPO) and the Kerr-Tarr Rural Planning Organization. It is part of North Carolina's Strategic Highway Corridor Program. Right-of-way acquisition is currently in progress. This project will benefit the public by adding traffic-carrying capacity along a heavily traveled corridor in a rapidly developing area. The project will improve access to Franklin County, reducing congestion and enhancing safety along the US 401 corridor.

In order to offer more opportunity for public scrutiny, I have posted information on each project request submitted to the Appropriations Committee at the time the request was made.
